

Have Questions about your Financial Future? Do you have student loans to repay?

If Yes, you are invited to attend a workshop on Financial Preparedness, including information on your Teachers Retirement benefits, other financial options such as 403(b)s, and Degrees, Not Debt.

The workshop is for teachers with no service in one of the state's public pension systems **prior to January 1, 2011** (considered a Tier II member). Recent changes to your Teachers Retirement System (TRS) Pension can affect your ability to retire on your own terms.

Learn what you can do now.
