District is working on having each employee of the district have an I-9 form in their file, which is the law. Failure to have an I-9 on file can lead to termination. Feedback from the walkout is appreciated. An administrator should be at any event, regardless of site. It is the responsibility of the sending school to make sure that administration is in attendance.

VI. Questions

Has discussion been had about non-attendance days on voting days in the district? Yes, Richard has been in discussion with district about this. The district does not have the right to refuse building access to the state if they request the building for polling places.

VII. Other

None this evening.

Adjournment 6:30 pm

Respectfully submitted,
Sarah R. Madson
Secretary
