

ETA Covid-19 Update

03-19-2020

7:00 PM

Members,

I have been receiving numerous questions regarding Emergency Days, Act of God Days, as well as other professional related questions. Jack Janezic, our ETA UniServ Director, has created the following document. This document has explanations on the different types of days, links to ISBE Communications, and links to information from various state officials.

Stay safe,

ETA President
Barbara Bettis
